OFFICE OF PETITIONS

In re Application of :
Pierre Bonnat :
Application Number: 10/530946 : ON PETITION
Filing Date: 01/20/2006 :
Attorney Docket Number: :
5769P006 :

This is a decision in response to the petition under 37 CFR 1.137(b) filed on October 19, 2010, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned on January 6, 2008, for failure to timely file a response to the non-final Office action mailed on October 5, 2007, which set a three (3) month shortened statutory period for reply. No extensions of the time for reply in accordance with 37 CFR 1.136(a) were obtained. Notice of Abandonment was mailed on May 1, 2008.

Receipt of the response to the non-final Office action is acknowledged.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay.¹ In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

¹ See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1208 Off. Gaz. Pat. Office 63, 103 (October 21, 1997).

There is no indication that petitioner herein was ever empowered to prosecute the instant application. If petitioner desires to receive future correspondence regarding this application, the appropriate power of attorney documentation must be mailed. A courtesy copy of this decision will be mailed to petitioner. However, all future correspondence will be directed to the address of record until such time as appropriate instructions are received to the contrary.

The application is forwarded to Technology Center Art Unit 2629 for further processing.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3231.
